

# 2011 Student Achievement Targets

**READING:** We aim to have **90% of students achieving at or above** the National Standards Expectations by year's end.

**WRITING:** We aim to have **80% of students achieving at or above** the National Standards Expectations by year's end.

**MATHS:** We aim to have **90% of students achieving at or above** the National Standards Expectations by year's end.

## **How will we know how we are progressing as a school?**

- Whole school data will be collected and communicated in **June** and **December**

## **How will you know how your child is achieving and progressing?**

- Parent Interviews End of Term 1 and 2
- Cumulative Learning Record showing achievement levels end of Term 2 and 4
- Cumulative Learning Record with teacher comments end of Term 3
- Your child's work reading, writing and maths books going home at the end of each term.
